FROM: HWR

TO: Col.Robt.Green, OSD

SUBSTANCE:

In response to an inquiry from 25X1A9a (M/Ch) I asked Col.Green what was the current status of the Defense Symposium on Propellant and Fuel Additive Research and Development. He reported letter that a ~~###~~ had gone forward from Mr. Gray to the Under Secretary of Defense for Research and Development asking to have his fuel panel consider the questions submitted together with whatever other related problems seemed to them to be worthwhile. Col.Green promised to keep me informed of developments as they take place. His office plans to follow-up on the request soon if they do not hear from it. 25X1A9a was informed of this situation and I promised to keep him informed of developments.
